SUMMARY

Aspiring Junior Software Developer with hands-on experience in full-stack development, proficient in Python and Node.js. Skilled in creating responsive web applications and desktop applications using Electron. Adept at collaborating with teams, debugging, and documenting processes to deliver high-quality software solutions.

EDUCATION

Anna University, Tiruchirappalli   **Aug 2021 - May 2025**

Bachelor of Engineering , Computer Science Engineering   8.4 CGPA

EXPERIENCE

E-soft   **May 2024 - Jul 2024**

Full Stack Developer Intern
- Collaborated with senior developers to translate UI/UX designs into functional code.
- Focused on coding best practices and accessibility standards to enhance user experience.
- Improved interface functionality by adhering to modern development practices.

PROJECTS

Stock Trend Analyzer   Link
- Designed and implemented stock management systems leveraging Python and SQL, ensuring scalability and usability.
- Developed database schemas and wrote SQL queries for efficient data manipulation.
- Integrated backend logic using Python frameworks to streamline stock data analysis.

Movies App (Netflix/Amazon Prime Clone)   Link
- Enhanced user experience with smooth navigation using React Router and dynamic scrolling with React Slick.
- Integrated TMDb APIs for movie database and authentication, ensuring secure login with client storage.
- Designed eye-catching UI using Figma and implemented responsive design using Bootstrap.

Food Munch   Link
- Developed a responsive website for a food store using HTML, CSS, and Bootstrap.
- Implemented product YouTube videos using Bootstrap embed and modal components.
- Designed pages with mobile-first approach for enhanced responsiveness.

CERTIFICATIONS

Industry Ready Certification

MCP Project Completion

SKILLS

- **Programming Languages:** Python, C++
- **Frontend Development:** HTML, CSS, Bootstrap, JavaScript, React.js
- **Backend Development:** Node.js, Express
- **Databases:** SQLite, SQL
- **Other Skills:** AWS, Data Structures & Algorithms, Communication Skills
